EQUIPMENT RENTAL RATES GUIDE & MEMBERSHIP LISTINGS

The ARHCA guide is used by thousands of companies as Alberta's standard for equipment rental rates, as well as a comprehensive quick reference for industry contacts.

Every year, a complete catalogue of new equipment models is added, and an expert ARHCA team calculates rates using the latest data and a mechanism to reflect changes in market forces. The ARHCA guide is the accepted authority for:

- Alberta Transportation
- Alberta Environment and Parks
- Parks Canada
- Canadian Forest Service
- City of Calgary force account rates
- City of Edmonton force account rates for contracted roadway construction
- City of Edmonton Transportation and Streets for the winter road program

Members receive a number of complimentary copies as well as a preferred rate on additional copies.

DAILY TENDERS REPORT

The daily tenders report helps you keep track of projects that are available for bid across Alberta and contract winners on recent projects. This also includes a weekly planholder list for Alberta Transportation jobs to let you know who is interested in bidding. The tenders report is a vital resource for companies looking for opportunities as well as governments and other agencies that want their project viewed by the biggest pool of bidders.

ADVOCACY AND GOVERNMENT RELATIONS

Keep up on what's new with the industry and your association. ARHCA's CEO sends out regular updates about industry issues and ongoing government relations. Even more, as a member, you can stay in-the-know with the member-only monthly RoadRunner newsletter. Coverage in this newsletter includes:

- Government relations and advocacy
- Industry news
- Networking events
- Educational opportunities
- Industry trends for key cost and economic data
- New member profiles
- And more

BUSINESS DEVELOPMENT AND NETWORKING

The ARHCA hosts events across Alberta to help members build their business networks. These include golf tournaments, networking sessions and industry forums to discuss industry concerns and challenges with the CEO.

ANNUAL CONVENTION AND EXPO

Every November, the ARHCA hosts the Annual Convention & Expo. This highly anticipated event provides members with the opportunity to hear briefings from top officials, attend education sessions, see the latest innovations at the Expo and develop new industry contacts.

EDUCATIONAL SEMINARS

The ARHCA offers technical and professional development opportunities tailored to meet the changing needs of the industry. Sessions generally include:

- Partnering sessions with other associations; the City of Edmonton; and, the City of Calgary
- Safety forums
- Industry trend webinars
- Project updates

Visit arhca.ab.ca for a detailed listing of upcoming events.

SPONSORSHIP AND ADVERTISING OPPORTUNITIES

Members enjoy exclusive opportunities for sponsorships and advertising at golf tournaments, area meetings and the Annual Convention & Expo. Or get the word out to industry about your business through ads in the ARHCA RoadRunner newsletter, our very own Alberta Heavy Magazine and our Equipment Rental Rates Guide & Membership Listings.

HAVE YOUR SAY ON AN ARHCA COMMITTEE

The ARHCA's committees tackle the challenges facing specific industry sectors. Share your expertise while expanding your business network. Our committees represent industry sectors and interests including:

- Government relations
- Urban (Calgary and Edmonton regions)
- Equipment and supply
- Safety
- Grading
- Highway maintenance
- Paving
- Environment
- Human Resources

The ARHCA also offers the opportunity to work on task forces and other groups.

Regular Member (Groups I-V)

Those persons, firms, partnerships or corporations engaged in road building and heavy construction in Alberta.

Owner Operator

Those individuals who own and operate two or fewer pieces of equipment in the road building and heavy construction industry in Alberta may be eligible to become a member in this category.

Associate Members

Those individuals, firms or corporations who do not qualify as regular members by reason of not being contractors may be eligible to become an Associate Member. This category may include supply, technical, consultant (but not engineering consultants), financial, indemnity or other firms or individuals who have as one of their primary client bases the roadbuilding or heavy civil contractor.

Consultant Members

Those individuals, firms, partnerships or corporations engaged in consulting engineering on roadbuilding and heavy construction projects in Alberta.

Regular/Associate/Consultant Branch Members

This is a subcategory of membership for eligible companies that already hold a membership under the Regular, Associate or Consultant category. This membership is intended to provide services for additional locations of an existing ARHCA member company.

Infrastructure Owner

Those firms, partnerships, corporations, or governments that purchase heavy construction services from construction contractors in Alberta, but do not perform construction work themselves. This is a non-voting membership category and cannot sit on the Board of Directors.

Social Members

Those individuals who have retired from the category of regular member may be eligible to become a social member.
